XB 500 - X BOARD profi calbe roller

Universal profi cable drum winder and unwinder for all types of cables and pipes (conductors, cable rings, cable drums, conduits, ropes and cable drums). It can be loaded up to 800 kg and is suitable for almost any type of drum. Especially suitable for damaged cable drums. The height-adjustable cover is perfectly designed to secure loose cables, cable rings or pipes, thus preventing uncontrolled cable unwinding.

For more information see product videos.
